Membership Categories:

The Belchertown Land Trust adopted a new dues structure in 2003. Though the basic individual membership remains \$25, we encourage supporters to participate at higher membership categories.

In addition, we offer a reduced rate of \$40 for families with two adult members, and \$10 for seniors, students, and others with limited incomes, which will allow full membership participation regardless of ability to pay.

We also encourage individuals and businesses to be involved with financial and land contributions.
